

Special FX

EMBROIDERY EVENT

Transforming threads into stunning effects!

Join **dime** educator, Tammy Madden for this virtual event and learn how to apply specialty techniques to simple artwork. Plus, discover how to add depth and dimension to hundreds of trendy and appealing embroidery designs.

SpecialFX virtual event is brought to you by the DIME education team led by Eileen Roche for Northwest Sewing Center.

TAMMY MADDEN

Transform simple artwork into amazing embroidery designs.

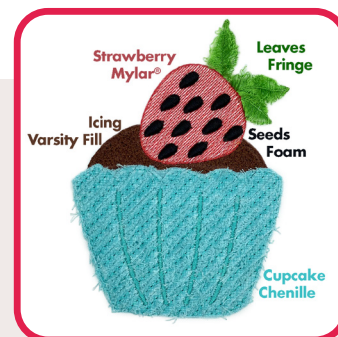

There's no reason to settle for dull, flat embroidery designs. In this virtual event, you'll learn how to apply specialty techniques such as fringe, plaid, chenille, foam, prism and ombre to simple artwork. Plus, discover how to add depth and dimension to over hundreds of trendy and appealing embroidery designs. You'll get the look you want with just a couple tricks of the trade.

Attendees will learn how to:

- Add Mylar to text or shapes
- Stitch chenille in the hoop
- Blend thread colors seamlessly and effortlessly
- Add fringe accents to text, flowers, animals, grass and more
- Mix features for spectacular effects

Attendees will receive this free design.
