

Embroidery

Start to Finish:

T-SHIRTS

VIRTUAL EMBROIDERY EVENT

Join Aine McCarthy for the Embroidery Start to Finish: T-Shirts and learn the steps that lead to beautiful embroidery results – one t-shirt at a time!

Whether you are just starting or a seasoned enthusiast, DIME by OESD Educators guide you through the process step-by-step. The Start to Finish series makes an embroidery project easy! It starts with design creation and selection, continues through proper stabilization, hooping and accurate design placement, then finishes with the actual stitch-out! You see a project from concept...to completion!

TOPICS:

- Learn how to create or select an embroidery design that works best for stitching on knits.
- See the proper stabilization for knits/wearables.
- Discover industry standards for placement on today's most popular garments – knits!
- Master hooping t-shirts, onesie and sweatshirts.
- Pick up professional finishing techniques.
- Engage with our expert instructors and get answers for your embroidery challenges.

Attendees will receive this free design:
