Mini Shopper Workshop

Make a stylish, versatile tote—13” wide, 11” tall, and 3” deep—that’s perfect for quick trips or carrying your everyday essentials! In this class, you’ll learn many of the standout features of the Continental M17, M8, or 9480 including the A.S.R.® (Accurate Stitch Regulator), Ruler Work quilting, and the AcuFeed™ Dual Feed system. Use Janome’s Mirage and other decorative stitches to create a tote that’s truly one-of-a-kind!
