Switch up your space, not your sewing

Why choose between a Sewing Machine and an Overlocker when you can have both in one? Meet Janome's New **SewSwitch 30** a brilliantly engineered machine that lets you switch seamlessly between sewing and serging, so you can spend less time changing machines and more time bringing your ideas to life. Designed to make it easy to move between everyday sewing and overlock projects, the SewSwitch 30 allows you to quickly change functions with a simple switch of a convenient lever. With its refined, innovative design and remarkably quiet operation, the SewSwitch 30 now brings together two essential sewing functions into one convenient machine.

***Two Gifts In One** with...*

SewSwitch 30

Two essential sewing functions together in One convenient, innovative machine!

SEWING

Choose the SewSwitch 30 Sewing setting, and select from 30 built-in stitches, including three buttonhole stitches, while the Sensor Buttonhole feature helps create the right buttonhole size every time. With sewing speeds up to 820 stitches per minute and a powerful motor that provides stable needle penetration, the SewSwitch 30 delivers the dependable performance you need for projects big and small.

Sewing Side Features:

- 2-step type needle threader
- Max. sewing speed: 820 SPM
- Sensor BH will create the right buttonhole size each time
- 30 built-in stitches with 3 buttonhole stitches included
- Reverse, Locking, Stitch, and Needle Up/Down buttons
- Equipped with a powerful motor that delivers stable needle penetration

OVERLOCK

Switch over to the SewSwitch 30 Overlock setting for clean, professional-looking finishes without needing a separate machine. Featuring a two-thread overlock system with a needle that can be installed in either the right or left position, along with adjustable cutting width and feed length for greater control over your finished seams. Features including a two-step needle threader and a free arm help to make setup and operation simple.

Overlock Side Features:

- Industrial style foot designed to glide smoothly over seams
- 1 needle, installable in either the right or left position
- 2 thread overlocker for refined finishing/prevention of fraying
- Cutting width adjustment range with left needle: 5.7~7.3 mm
- Quickset threading for lower looper
- Feed length (with dial): 1.0~5.0 mm

All offers are valid November 1 – December 31, 2026 at participating Janome Authorized Dealers. Offers based on Manufacturer's Suggested Retail Price (MSRP) and may not be combined with any other offer. Pricing is valid with qualifying machine trade in. Void where prohibited.
